Hey scientists way smarter than me:

Can you take a look at the R3 findings and does it make sense to you? Specifically these words

Ex. 5 Deliberative Process (DP)

Thoughts from you all?

Great, adding Jamie since Ashley is out, but I think we're good to go. Could you send the final clean version, I want to make sure our folks in OCIR have it as well. Thanks!!

Joan,

One suggestion. The following Q&A need to be clarified. Nothing major, but as it's written, its not quite correct.

Here it is as it appears in the final comms plan:

Ex. 5 Deliberative Process (DP)

Rick Rogers, Associate Director
Office of Drinking Water and Source Water Protection
Water Protection Division (3WP20)
U.S. EPA Region III
1650 Arch Street
